

NCRI Screening, Prevention & Early Diagnosis (SPED) Workshop

Call for proposal ideas for studies in Screening, Prevention or Early Diagnosis

Please note the deadline for the submission of proposals will be Monday **26 November 2018 at 5pm.**

Please kindly refrain from sending the entire proposal / protocol and keep to a page limit of 4 pages.

Researcher details	
Full name	
Date	
Applicant address	
Email address	
Study overview	
Study name	
Researchers	
Background	<ul style="list-style-type: none">• [Patient population – who affected, how many]• [Typical management]• [Current therapy options]• [Problems, uncertainties with current options – e.g. survival, toxicities, difficulty in predicting who will benefit]
Aim of study	<ul style="list-style-type: none">• [Main question this trial will address]• [How this builds on the existing evidence base]
Patient and public involvement	
Lay summary up to 200 words (Required)	<ul style="list-style-type: none">• [Define in lay terms why the trial is needed, the basic design of the trial, how the treatment differs from current clinical practice, and how the trial results will be used / of benefit to patients]

Outline of patient and public involvement	<ul style="list-style-type: none"> • [Has patient input to the proposal/trial design been sought?] • [Is there a plan to get patient input for the patient information sheet etc if funded?]
If an interventional trial: Intervention & comparison	
Trial phase	
Trial design	<ul style="list-style-type: none"> • [Randomised/non-randomised; single centre/multicentre etc.] • [Include flow chart of study design where available] • [Outline of trial methodology/statistics]
Treatment or intervention	<ul style="list-style-type: none"> •
Comparator	<ul style="list-style-type: none"> •
Outcomes	
Outcome measures / endpoints	<ul style="list-style-type: none"> • [Primary outcome measure] • [Secondary outcome measure]
General information about your proposal status	
Has the proposal already been submitted for funding? If so, where?	
If the answer to the previous question is yes, please provide relevant dates and the outcome.	
If the proposal has not been submitted for funding, how would you describe its status?	<input type="checkbox"/> Almost ready for funding <input type="checkbox"/> Can be submitted within 6 months <input type="checkbox"/> At a very preliminary stage
Have you had statistical input?	
If so, which CTUs or RDS are you working with?	
Have you had input from SPED members / relevant Clinical Studies Group(s)? If so, please specify who/which group(s):	

Please send completed form to Nanita.Dalal@ncri.org.uk
